ProRent™ Pedestal Table Specifications

Tabletop and Mounting

Standard McCourt Manufacturing table surface is 3/4" minimum 7 ply plywood with PolyCoat finish on both sides for panel balance and vinyl T-mold edging. Sizes available are 24", 30" and 36" dia. Cap is mounted to tabletop at our factory with three 1 1/4" elevator bolts and nylon nuts.

Cap

Cap is unpainted cast aluminum and mounts to underside of any table top up to 36" diameter. Standard cap has six 1/4" clearance holes on 7 1/2" bolt circle, is 8 3/16" in diameter by 2 3/8" tall and weighs 1.2 lbs. Center hole in cap accepts standard tapered column.

Base

Standard base is a 4 prong style, cast aluminum leg base. Underside is painted satin black with polished aluminum top surface. Metal glides insert into casting pockets with permanent steel clips. The 24" base is standard for 24" & 30" diameter table tops, 3 5/8" tall and 2.35 lbs. The 28" base is standard for 36" diameter table tops, 3 5/8" tall and 3 lbs. Center hole in base accepts standard tapered column.

Column

Columns are heavy 16 gauge welded steel tubing with a 1 3/4" outside diameter. Tubing is nickel-chrome plated after having standard tapers (1 3/4" x 1 5/8" x 2") swaged onto both ends. Columns are sized to give standard heights of 30" and 42" with 3/4" table top thickness. The 42" column is 39 1/8" long and 3.7 lbs. The 30" column is 27 1/8" long and 2.6 lbs. Optional black column available.

Options

Telescopic Column gives table heights of 30", 36" and 42" from a single adjustable column. Heavy 16 gauge welded steel tubing telescopes using 1 7/8" dia. over 1 3/4" dia. nickel-chrome plated tubing with standard tapered ends. Height adjustment is one-handed button operation, secures with locking bolt. Indexed tubes maintain hole to button alignment. Total weight 4 lbs.

Aluminum SuperEdge - smooth wrap around T style edging for greater edge protection.

Laminate surface available in 6 stock patterns. Cap mounted to laminate tops using three 5/8" bolts and blind nut inserts.

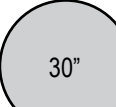

Trumped Base of 20" & 24" Diameter

Black Finish - All bases and columns available in matt black finish.

Guarantee

Full 2 year limited warranty against manufacturing defects under normal use. McCourt Manufacturing will repair or replace (at our option) at no charge; customer assumes all freight charges.
